Biographical note: The Amos Tuck Society was founded in 1994 by former Governor Hugh Gregg. Research undertaken by Mr. Gregg while writing his book *Birth of the Republican Party* revealed the party was formed in Exeter, NH in the fall of 1853, not in 1854 in Ripon, WI as has been previously claimed. The Society was formed to promote this event and to emphasize NH's part in the formation of the GOP.

Scope and Content note: This collection contains newsletters, meeting minutes, bylaws, promotional material, publications, photographs, video and audio tapes, and correspondence kept by Hugh Gregg. This file pertains mostly to the formation of the society.
